(II) Should toy stores have different sections for boys and girls? Or, should we 36 having "girl" and "boy" toys? Many people now think toys shouldn't 37 according to gender. They feel toys should just be sorted by age or theme, instead. More and more companies and organizations seem to agree. Some, like Lego, now avoid 38 toys as either "for girls" or "for boys." 39, such as Let Toys Be Toys, pressure companies to stop targeting a specific gender in their marketing.

40 changing the way people think about these matters isn't child's play, these efforts are working. One day, all children will be free to choose the right toys for them.
