Nick Vujicic is no stranger to bullying. Suffering from a disease in which all four of his limbs never developed, he was bullied by others from a young age. They would often make fun of him for being ugly or different. Slowly, Nick began to take their words seriously, causing anger and bitterness* to build in his heart. Although he was showing up every day, he was secretly **dying inside** – and at one point even wanted to kill himself. Thankfully, Nick had a loving, supportive family. Under his faith in God, he was able to remind himself he is “fearfully and wonderfully made.” Years later, after Nick became very successful, he said in a speech, “If you leave a seed of lies in your heart and in your mind and you don't know the truth, you will die with the lie.” It is stories like his that remind us the power of bullying. We must find ways to overcome it without letting it get the best of us.
